

WATER TROUGHS

PERMANENT WATER SUPPLY

Lightweight but strong, these Stallion water troughs are ideal for a pen and a small paddock. They come complete with a valve, are available in green or black and includes a quality ballcock with removable cover.

ROUND WATER TROUGHS

PERMANENT WATER SUPPLY

These troughs are ideal for both large and small paddocks, with cattle, deer or sheep. They're extra strong to withstand the rigours of larger animals in a permanent position.
