

2X2

ACCESSORIES

SAY HELLO TO THE UBCO ACCESSORIES.

The UBCO 2x2 loves to be kitted out, so we have produced some custom UBCO accessories to help you carry more. With standard M8 nuts and bolts, you can attach anything you want – Fishing rods, our custom Pannier Bags or Cargo Decks, hunting rifles, all your on the farm tools or even your surfboard.

Your UBCO, your way.

D1 ~~2X2~~ FRONT CARGO DECK

Move your gear with ease on this hard-wearing Front Cargo Deck. Designed to expand your load carrying capacity on the front of your UBCO 2x2, it helps you take more, wherever you want to go. Transport feed, carry your tools, or even taxi your dogs around the farm.

The aluminium rail comes pre-assembled. However, you can remove it if you need to.

- ⦿ Sturdy high-density polyethylene (HDPE) base
- ⦿ Removable dual aluminium rail
- ⦿ 500mm x 104.3mm x 330mm (WHL)
- ⦿ Recommended max carry weight of 20kg

RRP \$249.00 (INC GST)

RRP \$226.36 (EXCL GST)

A1 ~~2X2~~ ADAPTER PACK

Make custom attachments for your UBCO 2x2 with these handy adapters. Use the L-adapter to attach plywood or equivalent panels onto the front and rear decks of the 2x2 to increase the bike's carrying capacity. The Tube Adapter can be used to secure carrying tubes on the side of the bike. Tubes can be handy if you wish to carry walking sticks, rakes, or rods.

- ⦿ Comes with Tube Adapters, Velcro Straps and L-adapters
- ⦿ Corrosion resistant aluminium alloy
- ⦿ Nuts, bolts and washers included in pack

RRP \$59.00 (INC GST)

RRP \$53.64 (EXCL GST)
