

LINE 7[®]

Technically superior, all-condition
PANTS, OVERALLS and PARKAS
that are designed to last.

GLACIER

Exceptionally breathable and light-weight, the Glacier range combines stormproof design features with highly innovative wind and waterproof fabric for comfort in extreme conditions.

- Adjustable hood with visor & two-way zip for ease of movement
- Abrasion resistant shoulder patch protection
- Reflective strip for visibility & internal chest pocket
- Internal and external zip storm flap to prevent water ingress
- Large fleece-lined dual-front pockets with drainage holes
- Storm cuffs with velcro fastening for watertight seal at wrists
