

# SKELLERUP

## 2017 FOOTWEAR RANGE

Proven Reliability and Performance in Footwear

[www.skellerup.co.nz](http://www.skellerup.co.nz)

**Red Band®**

The original Kiwi icon; mid-calf length boot with cleated sole; built-in rubber foam cushioned innersole.

**Sizing:** 4-14      **Codes:** FRR104 – FRR114

**4x4 Power**

High performance calf length boot built for extra comfort and protection; removable cushioned PU innersole; ribbed protection panels; mud grip sole.

**Sizing:** 4-13      **Codes:** FRF004 – FRF013

**Ashley Safety**

Mid-calf length lace-up rubber boot; waterproof tongue gusset; steel toe and oil and acid resistant moulded sole.

**Standards:** AS/NZS 2210.3  
**Sizing:** 5-13      **Codes:** FSA525 – FSA533

**Quatro Insulated Calf**

Ergonomically designed to lock in the foot and prevent heel slip; fully clad UV resistant natural rubber upper; elasticated top bind; 4mm CR-foam insulation; Quatro Comfort System innersole; cushioned rubber midsole; high abrasion cupped rubber outsole with tapered mud-release cleats.

**Sizing:** 2-14      **Codes:** FRQ202 - FRQ214

Skellerup gumboots are hand built using natural rubber formulations developed specifically for New Zealand conditions, unlike injection moulded plastic gumboots. They offer heat resistant rubber soles, excellent slip and puncture resistance, are custom designed for a specific fit and are suited to a range of applications and climates.

**Quatro Safety Insulated Calf**

High Spec. Protection and Performance. Proven UV resistant rubber shell; Quatro ComfortForm steel toe cap; hard wearing anti-bacterial moisture wicking lining; penetration resistant midsole; 360 SureGrip nitrile rubber and electrical hazard resistant outsole.

**Standards:** AS/NZS 2210.3, EN ISO 20345, ASTM F2413-11  
**Sizing:** 6-13      **Codes:** FQS506P - FQS513P

[www.skellerup.co.nz](http://www.skellerup.co.nz)

**CALF GUMBOOTS**

**Waterproof Footwear**

Skellerup has been supplying New Zealand industry with high quality, genuine, hand lasted footwear for over 70 years. Ever since New Zealand's first rubber gumboot, the original "Marathon" emerged from the vulcaniser on September 9, 1943, Skellerup has set about creating a standard for waterproof footwear, not just here but around the world.

**Skellerup gumboots are all hand made to exacting specifications**

Every Skellerup boot is assembled by hand incorporating on average 30 components and four rubber formulations, before the finished product is vulcanised using heat and pressure. And to ensure comfort and compatibility with local conditions, all our boots are shaped to match typical New Zealand feet.

**Ashley**

Mid-calf length lace-up rubber boot; waterproof tongue gusset; built-in rubber foam cushioned innersole; calendered sole.

**Sizing:** 5-13      **Codes:** FRA155 - FRA163

**Hiker**

Ankle height lace-up rubber boot; waterproof padded tongue; built-in rubber foam cushioned innersole; "Octopus" suction grip sole.

**Sizing:** 4-12      **Codes:** FRL124 - FRL132

**Orthotic Innersole**

Anatomically designed 8mm polyurethane innersole with arch support for supreme comfort; minimises foot and joint pain from prolonged standing on hard surfaces; suitable for all types of footwear.

**Sizing:** 3-5, 6-8, 9-11, 12-14  
**Codes:** FMI723, FMI726, FMI729, FMI732

**Quatro Innersole**

Maximising underfoot comfort: breathable, anti-bacterial, odour resistant, moisture wicking, built in heel and arch support, shock absorbing Politec® heel pads.

**Sizing:** 3-5, 6-8, 9-11, 12-14  
**Codes:** FMI223, FMI226, FMI229, FMI232

**Quatro Insulated Knee**

Tall style of the Quatro Insulated Calf with the same features of warmth, comfort and cushioning. Ergonomically designed to lock in the foot and prevent heel slip.

**Sizing:** 4-14 **Codes:** FRQ304 - FRQ314

**Quatro Light**

UV resistant natural rubber upper; lightweight, fast-drying, anti-microbial and anti-fungal lining; high abrasion resistant, cupped rubber outsole with tapered mud-release cleats; second band for trimming to calf length.

**Sizing:** 2-14 **Codes:** FRQ722 - FRQ734

**Quatro Safety Insulated Knee**

Tall style of the Quatro Safety Insulated Calf with full foam insulation; penetration resistant steel midsole; oil, acid, heat and electrical hazard resistant outsole.

**Standards:** AS/NZS 2210.3, EN ISO 20345, ASTM F2413-11  
**Sizing:** 6-13 **Codes:** FQS606P - FQS613P

**Boot Remover**

Designed to aid boot removal; made from durable polypropylene.

**Code:** FSC775

**Great Kiwi Innersole**

6mm felt innersole made in New Zealand from wool for warmth and comfort; ideal for use in gumboots. For women's sizing order two sizes smaller.

**Sizing:** 4-14 **Codes:** FMI904 - FMI914

**Perth**

Like the Red Band, a proven performer; tall knee-length boot with a cleated sole; built-in rubber foam cushioned innersole.

**Sizing:** 4-15 **Codes:** FRP124 - FRP135

**4x4 Marathon**

Tall knee-length style of the 4x4 Power with the same added comfort and protection. Removable cushioned PU innersole.

**Sizing:** 4-13 **Codes:** FRF104 - FRF113

**Viking Safety**

Hard-wearing knee length boot with leg trimming guide; anti-microbial lining; steel toe; anti-slip, oil and acid resistant nitrile rubber sole.

**Standards:** AS/NZS 2210.3  
**Sizing:** 5-14 **Codes:** FVS105 - FVS114

ACCESSORIES

**Quatro 2 pack**

Ideal for use in insulated boots, ergonomically designed with the Elastic Support System (ESS) to prevent sock ride down.

**Sizing:** 2-5, 6-10, 11-13  
**Codes:** FMS520, FMS523, FMS524

**Red Band® 2 pack**

All over cushion knit comfort; strategically positioned Elastic Support System (ESS) to prevent sock ride down; high leg construction to minimise leg chafing; smooth toe seam.

**Sizing:** 2-5, 6-10, 11-13  
**Codes:** FMS527, FMS525, FMS526

**Red Band®**

Specifically designed for use with gumboots. Strategically positioned Elastic Support System (ESS) to prevent sock ride down.

**Sizing:** 2-5, 6-10, 11-13 **Codes:** FMS510 - FMS512

**Safety**

All Skellerup safety footwear is approved to International standards and many products carry multiple certifications.

**Innovation and Design**

Innovation is a key focus in producing reliable products that deliver the performance demanded by the ever-changing environments and needs of our customers. This has resulted in Skellerup winning several prestigious design awards over the years.

**Fire Fighter Extreme**

Type 3 structural rubber Firefighting boot, the Firefighter Extreme provides unrivalled protection, assurance and comfort.

**Standards:** AS/NZS 2210.3, AS/NZS 4821  
**Sizing:** 3-15 **Codes:** FSF803 - FSF815

**Red Band® Women/Youth**

Incorporating all the features and benefits of the original Red Band but made for more slender feet; mid-calf length, with a cleated sole; built-in rubber foam cushioned innersole.

Sizing: 3-9 Codes: FRR203 - FRR209

**Red Band® Children**

Incorporating all the features of the original Red Band. Built specifically to suit children's feet and calves.

Sizing: Children 9-2 Codes: FRR009 - FRR015

**Red Band® Junior**

Lightweight construction and a low heel provide extra stability for younger children; quick drying polyester lining and 3mm sponge foam innersole.

Sizing: Children 3c-8 Codes: FRR003 - FRR008

**Perth Women/Youth**

All the features and benefits of the original Perth boot, for smaller feet; knee length, with a cleated sole; built-in rubber foam cushioned innersole.

Sizing: 3-8 Codes: FRY143 - FRY148

**Terranova Women/Youth**

A general-purpose rubber boot for all the odd jobs around the farm; knee length; ultra lightweight.

Sizing: 3-9 Codes: FRT186 - FRT192

**Terranova Children**

The same lightweight features of the Terranova Women/Youth, in a smaller size.

Sizing: Children 10-2 Codes: FRT180 - FRT185

[www.redband.co.nz](http://www.redband.co.nz)

**WOMEN'S, YOUTH & CHILDREN'S GUMBOOTS**

**Red Band® Family**

When you're serious about keeping your whole family's feet warm and dry, you need a pair of serious gumboots.

Real, no nonsense, work-a-lifetime Red Bands. The boots that helped Kiwis take care of this land for generations.

REDBAND.CO.NZ  

**Children's Pink**

Lightweight, fast-drying linings and 3mm sponge foam innersole for underfoot comfort.

Sizing: Children 3c-8, 9-13, 1-3  
Codes: FTP203 - FTP2016

**Children's Red**

Textured upper, lightweight, fast-drying linings and 3mm sponge foam innersole for underfoot comfort.

Sizing: Children 3c-8, 9-13, 1-3  
Codes: FTR203 - FTR2016

**Red Band® Children's**

Internal cushion knit comfort provides luxurious support; high stretch cuff for ease of movement; full cushioning throughout.

Sizing: 5-8, 9-12, 13-3  
Codes: FMS515, FMS513, FMS514

# VIKING WORK BOOTS

## Viking workboots

Viking workboots have been developed for a wide range of applications, from general farming to heavy industrial use.

Skellerup's footwear design team has created the Viking range to perform in all conditions and environments demanded by New Zealand industry.

Only components and raw materials specifically tested and proven are incorporated in the construction of Viking workboots.

**Viking 200**

Hard wearing full grain leather upper; shock absorbing PU midsole and steel shank; thermoplastic heel and toe stiffener for increased shape retention; lightweight, hard wearing TPU outsole.

Sizing: 4-13 Codes: FBS104 - FBS113

**Viking 400**

Hard wearing full grain leather upper, padded and lined for additional comfort; shock absorbing PU midsole and steel shank; thermoplastic heel and toe stiffener for increased shape retention; lightweight, hard wearing TPU outsole.

Sizing: 4-13 Codes: FBS404 - FBS413

**Viking 200 Safety**

The same hard wearing features as Viking 200 but with an internal steel toe for additional protection.

Standards: EN ISO 20345  
Sizing: 4-13 Codes: FBS204 - FBS213

**Viking 400 Safety**

The same hard wearing features as Viking 400 but with an internal steel toe for additional protection.

Standards: EN ISO 20345  
Sizing: 4-13 Codes: FBS504 - FBS513

**Red Band® Slip On**

Hard wearing buffalo leather upper; double layered, high quality memory elastic; twin layer scuff-resistant toe guard; removable Red Band comfort innersole; shock absorbing polyurethane midsole; stabilising shank; anti slip, heat, oil, acid and electrical hazard resistant rubber outsole.

Sizing: 4-14 Codes: FIT624 - FIT634

**Red Band® Lace Up**

Hard wearing buffalo leather upper; padded leather tongue; antimicrobial padded linings; removable Red Band comfort innersole; shock absorbing polyurethane midsole; stabilising shank; hard wearing stippled anti slip, heat, oil, acid and electrical hazard resistant rubber outsole.

Sizing: 4-14 Codes: FIT824 - FIT834

**Red Band® Slip On Safety**

The same features as the Red Band Slip On, but with an internal steel toe, penetration resistant midsole and electrical hazard resistant rubber outsole for additional protection.

Standards: AS/NZS 2210.3, EN ISO 20345, ASTM F2413-11  
Sizing: 4-14 Codes: FIT724 - FIT734

**Red Band® Lace Up Safety**

The same features as the Red Band Lace Up, but with an internal steel toe, penetration resistant midsole and electrical hazard resistant rubber outsole for additional protection.

Standards: AS/NZS 2210.3, EN ISO 20345, ASTM F2413-11  
Sizing: 4-14 Codes: FIT924 - FIT934

## VIKING WORKBOOTS

**Superfleece 3 pack**

Ideal for use in workboots. High levels of comfort and cushioning; external nylon plating for stretch and durability; heavyweight sole padding.

Sizing: 7-8, 9-10, 11-13  
Codes: Donkey FMS233 - FMS235, Navy FMS241 - FMS243

**Boot Wax**

A combination of beeswax, tanners neatsfoot oil and metal stearate; actively retains the original character of the leather.

Code: FSC777

**Boot Laces**

Made in New Zealand from premium grade materials; available in 3 lengths.

Codes: 150cm FML150, 180cm FML125, 240cm FML240

Waxed full grain leather upper; padded and fully lined; high quality bellows tongue; removable innersole; high abrasion TPU heel and toe protection; extra-wide internal steel toe cap; heavy duty midsole; flat moulded sole with replaceable spikes.

**Standards:** AS/NZS 2210.3, EN ISO 20345, EN ISO 17249  
**Sizing:** 6-13 **Codes:** FIS506 - FIS513

**Boot Spikes**

To fit Schöen Forestry gumboots and work boots; 60 per bag with key for easy removal and replacement.

**Codes:** Stainless Steel FSC781, Tungsten Carbide FSC782

**Quatro Innersole**

Maximising underfoot comfort: breathable, anti-bacterial, odour resistant, moisture wicking, built in heel and arch support, shock absorbing Politec® heel pads.

**Sizing:** 3-5, 6-8, 9-11, 12-14  
**Codes:** FMI223, FMI226, FMI229, FMI232

**Great Kiwi Innersole**

6mm felt innersole made in New Zealand from wool for warmth and comfort; ideal for use in gumboots. For women's sizing order two sizes smaller.

**Sizing:** 4-14 **Codes:** FMI904 - FMI914

**Schöen Forestry Pro**

All the features of the Schöen Forestry Pro Spiked boot with a hard wearing, moulded fire-retardant 360 SureGrip rubber sole; highest international chainsaw protection (Level 4).

**Standards:** AS/NZS 2210.3, EN ISO 20345, EN ISO 17249  
**Sizing:** 6-14 **Codes:** FSC856 - FSC864

**Schöen 1100 Pro**

All the benefits and performance of the Schöen 1100 Pro Spiked work boot with a moulded nitrile rubber outsole providing exceptional all-round grip in forestry.

**Standards:** AS/NZS 2210.3, EN ISO 20345, EN ISO 17249  
**Sizing:** 6-13 **Codes:** FIS406 - FIS413

**Schöen 1000 Nitro**

Designed for maximum performance and protection. High quality, full grain leather upper; Heat resistant nitrile rubber outsole (to 300°C contact); ASTM Electrical Hazard Protection; penetration resistant midsole and oil resistant outsole.

**Standards:** AS/NZS 2210.3, EN ISO 20345, ASTM F2413  
**Sizing:** 6-14 **Codes:** FJS806 - FJS814

WORKBOOT ACCESSORIES

**Boot Remover**

Designed to aid boot removal; made from durable polypropylene.

**Code:** FSC775

**Boot Wax**

A combination of beeswax, tanners neatsfoot oil and metal stearate; actively retains the original character of the leather.

**Code:** FSC777

**Boot Laces**

Made in New Zealand from premium grade materials; available in 3 lengths.

**Codes:** 150cm FML150, 180cm FML125, 240cm FML240

**Levels of protection:**

The 4 levels of protection denote different levels of chainsaw resistance. (Refer to table below).

Levels of Protection	Chain Speed (m/s)
1	20
2	24
3	28
4*	32

It is recommended to select protective footwear in line with the chainsaw speed. It is important that there is an overlap between the protective material within the footwear and the trousers.

\* Schöen Forestry Pro gumboots are certified to the highest level of protection - Level 4.

**Earthtec™ Socks**

Earthtec™ from Skellerup is a revolutionary, purpose-specific sock range - the result of combining leading-edge technology and premium yarn selections to deliver high levels of comfort, resilience, practicality and longevity.

Naturally, wool is the base fibre for Earthtec™. Soft to touch and warm, even when wet, wool's hygroscopic properties allow it to take up moisture in vapour form absorbing a massive 30% of its weight without feeling damp or clammy.

MADE IN NEW ZEALAND

**Superfleece**

Ideal for year-round use in all types of footwear; all over Merino wool interior loop pile cushioning; nylon plating to the outside for stretch and durability; heavyweight sole padding; nylon reinforced heel and toe.

**Composition:** Merino Wool, Nylon, Elastane
